

Says

What have we heard them say?
What can we imagine them saying?

Thinks

What are their wants, needs, hopes, and dreams?
What other thoughts might influence their behavior?

we analyse the political juggernanuts: A quantitive analysis of candidates in the 2019 lok sabha election done.

When we hear the term politics, we usually think of the Government , politicians and political parties..

An election is the people can choose their condidate or their preference in a representative democracy or other form of Government.

General elections were hold in India in seven phases from 11th april to 19th may 2019 to elect the members of the 17th lok sabha.

Befor coming into power the Government makes numerous promises to public.

They manupulates the people that the politicaian will fullfill their all promises.

The political election gives people a change to evaluate their leaders.

We feels that a real politician is a person who has political power in the Government of a state, a person active in party politics, or a person holding or seeking an elected office in Government .

Election gives people a chance to change the Government.

In conclusion, politics is an essently part of society that shapes the way we live and make decisions.

In political the citizen's turst in their ability that they can change the Government and beleive that thay can understant and influence political affairs.

One of the conventional explanation of politics refers to politics being conducted within the system of checks and balances for avoiding misuse of political power.

Does

What behavior have we observed?
What can we imagine them doing?

Feels

What are their fears, frustrations, and anxieties?
What other feelings might influence their behavior?
